Description: SC 802 BRIDGE OVER THE BEAUFORT RIVER
Specifics: The SC 802 Bridge over the Beaufort River project includes the construction of a new 4,211' long by 46'-6" wide bridge parallel to the existing McTeer Bridge. The bridge spans over tidal marshes & the Beaufort River (Intracoastal Waterway).

The approach & main spans consist of multiple continuous units of Modified BT-79 & BT-96 girders with a cast-in-place concrete deck totaling 3,161' in length. These continuous units are supported by column / shaft bents & hammerhead piers founded on a waterline footing with multiple shafts groups. The column / shaft bents use 84" diameter shafts while the main piers have groups of 60" diameter shafts. The remaining 1,050' of bridge consists of multiple units of continuous flat slab spans supported by prestressed 20" & 24" square concrete pile bents. Portions of the existing fender & navigational lights systems will also be replaced.

The project will also include re-striping of the existing bridge for one-way traffic & replacement of the metal railing on the north side of the McTeer Bridge. On the Port

Royal end of the bridge, there will be three separate metal sound barrier walls totaling approximately 14,000 SF to be constructed along the approach roadway.

The approach roadway is being built under a separate contract. Road & bridge construction will coincide & both contractors shall coordinate activities to avoid conflicts

NOTICES**SUPPLEMENTAL
EDUCATIONAL SERVICE
PROVIDERS**

The South Carolina Department of Education (SCDE) is seeking applicants to become providers of Supplemental Educational Services (SES) for the 2009–2010 school year. As a state agency, the SCDE, is not procuring services, but will be providing a list of SES Providers to schools.

Supplemental Educational Services are defined as additional academic instruction designed to increase the academic achievement of students in low-performing schools. The services may include academic assistance such as tutoring, remediation, & other educational interventions, provided that such approaches are consistent with the content & instruction used by the local educational agency (school district), & are aligned with the state's academic content standards. The Supplemental Educational Services must be provided outside of the regular school day. The services must also be high quality, research-based, & specifically designed to increase student achievement. Non-profit & for profit agencies, public or private institutions of higher education, faith-based organizations, & local educational agencies interested in being considered as a provider of supplemental educational services are encouraged to apply.

Applications are due by April 17, 2009. The on-line application can be obtained through the SCDE's Web page at www.ed.sc.gov.

A training session regarding the application process will be held on Thursday, February 12, 2009, 9:30am, until 12:30pm. Registration begins at 9:00am, at the South Carolina State Museum Auditorium, 301 Gervais Street, Columbia, South Carolina, 29202. Please note that this training is optional; however, all interested applicants are encouraged to attend.

For questions regarding the application training session or the on-line application, please contact Basil Harris at (803) 734-8373.
